## Dear Broker Partner,

We understand that some of you have had difficulty complying with the CFPB's TRID requirements and therefore, have had difficulty submitting loan packages to us. In an effort to make your submission as streamlined as possible, we have updated our TRID Acceptable Broker Submissions Booklet to include a process that will allow Fremont Bank to create the Loan Estimate and Written List of Service Providers for your submission.

You are strongly encouraged to contact your legal and compliance advisors to ensure your policies and procedures meet federal and state legal requirements.

For complete information on the integrated disclosure forms and to see model forms, please visit the [CFPB's rule implementation page](#). This booklet is based on the information available to us, however the CFPB is issuing clarifications that may impact our processes and requirements in the future.
