| <b>Portfolio Lock Eligibility -</b><br>Effective 01/26/2024 we consolidated our Portfolio lending footprint. Refer to the Portfolio ARM guidelines on page 3 for our revised "Geographic Footprint Restrictions." Portfolio ARM's must have an "Approval to Process" from Loan Committee prior to initial submission. Loan can then be locked after Conditional Approval is issued.                 |                                                                                                                                                   |                                                                 |                              |  |
