Subject: [BULK] [EXTERNAL] Agency High Balance - Improved Pricing and Purchase Special

Dear Broker Partner,

Fremont Bank is committed to delivering unparalleled service and competitive pricing to our brokers as we expand our wholesale business. To that end, we recently made substantial enhancements to the pricing of our 30 year GOLD High Balance program.

We also received great feedback on the purchase special, so we extended it again! Our High Balance fixed purchase special of 50 bps will now be effective through the end of 2016.

We hope you take advantage of these two attractive offers. For more information, please see page 2 of our rate sheet for pricing and product details, or contact your Fremont Bank Account Executive. They will be happy to assist you. Thank you for your business!

Intended for Mortgage Broker use only and is not a consumer credit advertisement or for general public distribution.
