Subject: [BULK] [EXTERNAL] Test Message - Intermittent E-mail Delivery Issues Resolved

Dear Broker Partner,

Please note that we have been experiencing intermittent e-mail delivery issues to and from Fremont Bank since August 28, 2017. This issue has now been resolved; however, since many e-mails were held up in the queue during these issues, you may see old e-mails delivered to your inbox over the next day with an older time stamp, possibly dating back to August 28, 2017.

While there is no action required on your end, please pay particular attention to the original date on the e-mail. For any questions, [please reach out to your account executive](#). They will be happy to assist you.

Intended for Mortgage Broker use only and is not a consumer credit advertisement or for general public distribution.
